

DWSystems LLC
DWS Data Server
Software License Agreement

This Software License Agreement governs the use of software developed by DWSystems and marketed under the name of 'DWS Data Server' or 'Excel Data Server' (the 'Software').

1. License Key and Registration

The Software is copyrighted software. It is not public-domain or free software. The Software is time limited and will expire approximately 30 to 40 days after download. However, you may re-download a new copy of the Software from www.d-w-systems.com and continue to use it as long as you wish without payment or registration.

To apply for a permanent license key send an email to [sales<at>d-w-systems<dot>com](mailto:sales@d-w-systems.com).

2. License Types

- Individual computer license. The software may be licensed to run on a single computer with the license key related to the hostname or host IP address of that computer.
- Software application license. The software may also be licensed for use by another software application, in which case it can be bundled with that application or installed separately. The license key in this case will be related to the name of such software application. License key provided for a software application should not be used by Licensee for another software application.

3. Restrictions

Licensee shall not reverse engineer, decompile, disassemble or otherwise attempt to discover the source code of the Software.

4. License Fee

The license fee will be determined by DWSystems LLC based on the type of license, the type of usage and the number of users. Some individuals and organizations may be granted a free registration key.

5. Warranty

DWSystems encourages all users to report issues with the Software as well as desirable enhancements by sending email to [support<at>d-w-systems<dot>com](mailto:support@d-w-systems.com).

For free users of the Software, it is provided 'As Is' without any warranty as to merchantability or fitness for a particular purpose, or any other warranties expressed or implied.

For paid, registered licensees, DWSystems warrants to Licensee that the Software will perform substantially as documented for the thirty (30) day period following registration of the Software. If the Software does not perform as warranted above, the entire liability of DWSystems and Licensee's exclusive remedy shall be limited to the refund of the license fee paid for the Software.

6. Limitation of Liability

DWSystems will not be liable for data loss, damages, loss of profits or any other kind of loss while using the Software. In no event shall DWSystems' liability exceed the amount of license fees paid by Licensee, regardless of whether Licensee's claim is based on contract, tort, strict liability, product liability or otherwise.

7. Governing Law

This Agreement shall be construed and enforced in accordance with the laws of the state of California. Any dispute arising out of this license shall be subject to the exclusive jurisdiction of the courts there.
